

POWER DISTRIBUTION SERVICES

PSAV® is proud to serve as the exclusive in-house provider for Power Distribution Services at the Sheraton Centre Toronto. As part of our comprehensive electrical safety program the facility has been equipped with industry standard single pole or pin and sleeve devices to eliminate bare wire connections. All power distribution must be UL/ETL listed and meet all state and local codes.

POWER DISTRIBUTION LABOUR RATES

Power Technician Setup/Strike	\$90/hr.
-------------------------------	----------

All Power Distribution labour calls are based on a standard (4) hour minimum and subject to all reasonable labour practices regarding overtime and non-standard calls and afterhours. Power Distribution labour is based on a per-show call basis.

Power Distribution Pricing

PSAV will not load or allow a service to be loaded beyond 80% of the rated capacity of the service. Power Distribution equipment, electrical services, power cabling, and distribution packages are billed on a per-day basis. All power distribution PSAV uses will be UL/CSA listed and will meet or exceed all provincial and local requirements for safe electrical distribution.

Additional charges for labour and equipment may apply. Please contact your PSAV representative for more information. All PSAV solutions are subject to our property's standard service fee. All rates are subject to applicable sales tax.

For more information, contact your PSAV representative at: 416.304.1354 or visit us on the Web at: canada.psav.com/SheratonCentreToronto
